## Read the paragraph. Find the text and answer the questions.

There are many animals in the world. What can and can't they do? Kangaroo's can jump high but can't swim. Cheetah's can run fast but can't fly. Shark's can swim but can't walk. What can a crocodile do? A crocodile can swim and run fast. What can't a seal do? A seal can't climb and run but it can swim quickly by using its flippers. Wow! Animals can do many actions.

1.	What can a kangaroo d	o\$
2.	What can't a seal do? _	

3. What can you do?
