## Find the text in the maze!

Hello! How may I help you? Hi! I want to buy something for my friend Tom. What does he like? I think he likes watches and photo frames. How much do they cost? The watch costs one hundred and fifty dollars. The photo frame costs thirty dollars. Cool. I will take them. Is there anything else you want? Yes. I want to buy a wallet for him too. How much do you want to spend? Twenty dollars for a wallet is enough. Ok. Is this one ok? Sure. That's great. How much do I owe you? The total is two hundred dollars.

<ol> <li>What does he buy?</li> <li>How much does the</li> <li>How much does the</li> <li>What is the total</li> </ol>	watch cost? photo frame cost?
