Who do you like to help in the garden? I like to help my family in the garden. What do you like to do in the garden? I like to mow the lawn, dig, pick fruit and plant flowers because they are beautiful. That sounds fun! I like to plant seeds, so I can see the flowers grow. What else do you like to do? I like to build scarecrows, so they scare off all the naughty birds. Why? The birds eat all the apples on the apple tree.
