Read the paragraph. Find the text and answer the questions.

Peter Allen is a meteorite hunter. Here, he talks about his unusual job. Dora Richards:
What's the hardest part of your job? Peter Allen: Finding meteorites is difficult because
it's illegal and not allowed by law in some countries. Dora Richards: Is it easy to locate
meteorites? Peter Allen: No, they're rare and nearly impossible to locate, but they are
valuable and in demand from private collectors. Dora Richards: So, it's like finding treasure?
Peter Allen: Yes, it is!

1. What is Peter Allen's job? _____
2. What are rare? _____
