Song: Westlife - Written In The Stars

Click on the link below for the song.

Don't fall asleep too soon The angels can wait for a	Stay with	
Been through lot of	Don't fall asleep too soon	http://v.youku.com/v_show/id_XMTEyMzA
Forget the world	The angels can wait for a	10DQ=.html
Tonight we're alone It's finally you and I Cos when I look at my	Come real close	A
Tit's finally you and I It wasn't meant to feel like	Forget the world	
Cos when I look at my	Tonight we're alone	But I made it back to you
It wasn't meant to feel like	It's finally you and I	
It just wouldn't rhyme without you And when I see how my Seem to end up before your face The state of my The place where we are Was written in the Was written in the It just wouldn't rhyme without you And when I see how my Seem to end up before your face The state of my The place where we are Was written in the When I look at my life How the pieces fall into place It just wouldn't Seem to end up before your face When I look at my life How the pieces fall into place The state of my heart The place where we are Was written in the Was written in the The state of my heart The place where we are Was written in the Was written in the Was written in the The state of my heart The place where we are Was written in the Was written in the Was written in the It just wouldn't Was written in the Was written in the Was written in the It place where we are Was written in the stars? Describe the song. Use five adjectives. What genre of music is the song?		
And when I see how my	It wasn't meant to feel like	•
Seem to end up before your face The state of my heart The place where we Was written in the stars When I see how my path Seem to end up before your face The state of my The place where we are Was written in the pieces fall into place The state of my The place where we are Was written in the When I look at my life How the pieces fall into place The state of my heart The place where we are Was written in the The state of my heart The place where we are Was written in the The state of my heart The place where we are Was written in the Was written in the Cos when I look at my life How the pieces fall into place The state of my heart The place where we are Was written in the Cos when I look at my life How the pieces fall into place The state of my heart The place where we are Was written in the Cos when I look at my life How the pieces fall into place The state of my heart The place where we are Was written in the Cos when I look at my life How the pieces fall into place The state of my heart The place where we are Was written in the Cos when I look at my life Music by: Westlife 1. What was written in the stars? 2. Describe the song. Use five adjectives. 3. What does 'destiny' mean? 4. What genre of music is the song?	Not without you
